

World Robotics Industrial Robots

Full-Access Version including:

- Downloadable PDF Version **€ 1000**
- Data query of installations and operational stock 1994 - 2009
- by countries
- by applications
- by industries
- transfer of data into Excel
- text retrieval by search keys
- table retrieval by search keys and Excel-download

World Robotics Industrial Robots

Full-Access Version + printed copy

€ 1200

Combination package:

World Robotics Industrial Robots and Service Robots

Full-Access Version **€ 1150**

World Robotics Industrial Robots and Service Robots

Full-Access Version + printed copies **€ 1450**

World Robotics 2011 Industrial Robots

Statistics, Market Analysis, Forecasts,
Case Studies and Profitability of Robot Investment

Unique publication on the worldwide distribution of industrial robots based on company reports:

- about 40 country reports 2005 - 2010
 - by application areas,
 - by industrial branches,
 - by types of robots
 - and by other technical and economic variables.
 - data on production, exports and imports
- Trends in robot densities, i.e. number of robots per 10,000 persons employed in relevant sectors
- Forecast 2011 - 2014

Special Feature:

Robotics innovations, research and visions

World Robotics 2011 Service Robots

Statistics, Market Analysis, Forecasts,
Case Studies

Unique publication on the worldwide distribution of service robots based on company reports and market research:

World-wide statistics on professional service robots and personal/domestic service robots

- by type 2010 and stock up to 2010
- Forecast 2011 – 2014
- Market analysis

International Research Strategies on Service Robots

Case Studies

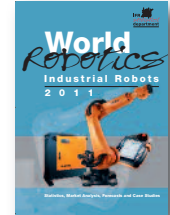

World Robotics Industrial Robots

Downloadable PDF Version € 400

World Robotics Industrial Robots

Downloadable PDF Version + printed copy € 600

World Robotics Service Robots

Downloadable PDF Version € 250

World Robotics Service Robots

Downloadable PDF Version + printed copy € 350

Combination package:

World Robotics Industrial Robots and Service Robots

Downloadable PDF Version € 550

World Robotics Industrial Robots and Service Robots

Downloadable PDF Version + printed copies € 850
